The image shows a mobile app registration screen with a solid blue background. At the top is a green status bar with white icons for signal strength, the carrier name 'Carrier', a Wi-Fi icon, a lock icon, and the battery level '100%' next to a battery icon. In the center of the screen is a circular logo consisting of three concentric circles: a white inner circle with the text 'LOGO' in blue, a light blue middle ring, and a darker blue outer ring. Below the logo, the Chinese characters '注册' (Registration) are displayed in white. Further down, there are three input fields, each with a light blue placeholder text and a horizontal line: '输入手机号' (Enter phone number), '输入密码' (Enter password), and '确认密码' (Confirm password). At the bottom, there is a white rounded rectangular button with the text '现在注册' (Register now) in blue.

APP 主界面 UI 设计

The image shows a mobile application interface for bike reservation. At the top, there is a green status bar with the text 'Carrier' and a battery icon showing 100%. Below this is a blue header bar with a white back arrow on the left and the text '预约用车' (Reserve Bike) in the center. The main content area is white and contains a form with three input fields: '车编号' (Bike Number), '从' (From), and '到' (To). Each input field has a pink border. Below the input fields is a pink button with the text '预约' (Reserve). The bottom of the screen features a decorative wavy pattern in green and blue.
